

Greetings from the Forebay Aquatic Center located at the North Forebay State Recreation Area. We are excited to announce the new offerings for school field trips during the 2024 season.

This Spring and Summer 2024 we are partially funded with grants from the California Department of Boating and Waterways and State Parks Access Grant. We are excited to provide reduced and cost-free field trips for qualifying schools and youth programs. Contact us for details. With our team of lifeguards and talented staff we continue to provide engaging, hands-on high quality educational and recreational experiences for youth and adults.

Field trips will run from 9am-2pm Tuesday through Fridays. Trips will be offered from April - October 2024 with the Summer months devoted to youth programs and Summer Schools. We are located at 930 Garden Drive, Oroville CA 95965

Take note on our website of our Feather River Salmon Tours in September and October 2024. Overnight field trips are also offered on a limited basis.

Example Field Trip Experiences include:

Water, Boating and lifejacket safety
Kayak, Paddle Boards, Canoes skill lessons and fun on the water
Environmental Education, Birding, Native Plants, Explorative Hikes and Aquatic Life investigations
Non-Competitive Games, Team Building and a variety of games and toys
Beach and Park facilities with Picnic Opportunities
Fall Salmon Spawning Field Trips trips on the Feather River and Hatchery tours.
